Word Find Instructions

The object of "Word Find" is to locate the words listed in the above puzzle.

Hint: Words can run horizontally, vertically, diagonally, and even backwards.

1. Start with the first word listed at the right hand side of the puzzle.
2. Find and select the word by circling it on the page. The last word on the list has been done for you to show you how.
3. Continue to search for words on the list until you have found each one in the puzzle.

It takes concentration and a keen eye to find them all. Good luck!
